On Monday evening, many members of our school community came together for our annual Chaplaincy Dinner, held in our performing arts hall. It was a highly enjoyable occasion, celebrating “Christ-mas in July” and the good work of our Chaplain Brooke. Thank you to our Chaplaincy Committee, students, parents and staff, who worked tirelessly behind the scenes to make this year’s Chaplaincy Dinner a successful and enjoyable evening.

Last Thursday afternoon, four teams of Primary students competed in the 2016 Reader’s Cup competition at Warwick State High School. Whilst all four teams were unfortunate to not place in the top 3 teams, they all did extremely well with the most difficult of questions. Well done students for having a go!

The QDU debating quarter finals will be held in Toowoomba this Wednesday evening. Both our Year 8 and Year 10 teams will be competing in the quarter finals. Best of luck, students.

The annual Mathematics Competition will be conducted on Thursday, 28 July. My best wishes to those students who will sit the Mathematics Competition.

Our school disco is this Thursday evening starting at 5:30pm for students in Prep to Year 6, then 7:15pm for students in Years 7 to 10.

This Friday is a Prep information morning commencing at 9:15am. I invite all parents / guardians who have prep aged children to come along to hear about our excellent prep service.

As previously communicated, 2017 marks 150 years of schooling at Allora P-10 State School. Our first planning meeting to jointly plan the 150th Anniversary Celebrations occurred last Tuesday night prior to our P&C Meeting. It was an extremely productive meeting with various projects underway for next year’s celebration. These meetings will occur on the same evening as our P&C Meetings (i.e. the 3rd Tuesday of the month) from 6:00pm – 7:00pm. If being part of this team appeals to you and you’d like to make a meaningful contribution, I invite you to come along to our meetings. Thank you to those people who have already expressed support. A point of interest: did you know that the official name for a 150th year anniversary is called a Sesquicentennial?

Positive Behaviour for Learning (PBL) continues this term with a huge excursion to the Brisbane Exhibition planned for Friday, 12 August. An information letter was been dispatched on Tuesday, to those families who expressed interest in participating. This letter communicates final details about this excursion including payment information and supervisors.

Our Interhouse Track and Field Carnival was held last Wednesday and Friday. Well done to all students for your participation and sportsmanship and congratulations to those students who placed in events, our age champions, record breakers and the winning house of Deacon. Please find more information within this edition of School Link.

Kind regards

A Note from the Library

Thanks to everyone who ordered from Book Club. Orders have now been placed and will be distributed to students when they arrive.

Last Thursday our Reader’s Challenge students travelled to Warwick State High School to attend the annual Reader’s Challenge. The students have been working hard these last two months and were more than ready for the competition.

Unfortunately, we were unable to place in the top two teams this year but Allora Team 1 was able to place 5th overall in the competition which had a total of 24 teams in it. Congratulations to all involved. I am so very proud of the way you have worked and the sportsmanship shown on the night was outstanding. Well done, students!

Our Book Week Dress Up day is on Wednesday 24 August. The theme for this event is Australia! Country Story. I look forward to seeing some great outfits on this day. Here are a couple of examples that the children could dress as: a stockman, a convict, a swaggie and the list goes on and on.

Photos below are of our Reader’s Challenge teams.

LEA-ANN WEIER
Chaplaincy Dinner

The annual school chaplaincy dinner was held at the Performing Arts Hall on Monday night, 25 July 2016. Guests were invited to wear their most ugly Christmas outfit, with a prize being handed out for the worst male and worst female outfit. A list of trivia questions were answered at each table and a competition was held for the best Carol singing as part of the Christmas in July theme. The school musical band entertained the guests before proceedings began, as well as playing an item just after the official welcome by Estelle. Elton Wilshire from the Presbyterian Church in Allora was guest speaker, with School Captains Mary and Austin, giving a speech on behalf of the school students. Thank you Austin and Mary. Chaplain Brooke also took the floor and thanked those in attendance, for their support. A very enjoyable night was had by all in attendance. Thank you to the people involved in supplying the delicious food and organising this fun event. A special thank you goes to Mrs Westerman, Mrs Chandler, Mrs Shimam-Bowman and the students who so capably helped out in the kitchen and waited on tables during the night.

If you would like to support the school Chaplain service, please complete the form included within this School Link. Thank you in advance, for your monetary assistance.

Following are the speeches made by our Captains:

Invited guests, ladies and gentlemen, as a School Captain and a fellow student I am aware of the issues that afflict and affect some students. Students come to school with personal issues that can range from family breakdowns, financial hardship, family illness and bereavement, body image concerns, learning difficulties and schoolyard peer relationship collapses. Most teachers are equipped with the skills to assist students in these areas but are time poor and need to attend to their core teaching roles. Part of our school chaplain’s role, is to engage and help students through these difficult times. They also offer support to student’s families.

How does a chaplain achieve this? They are personally motivated to their cause and are considered by students as a friend and not just a member of staff. A day’s work for a school chaplain involves interacting with the students by playing sport such as basketball, handball and table tennis, assisting in classroom activities, talking to students in lunch breaks and the one on one contact with individuals and groups of students needing some assistance.

An example of a student needing a little bit of help could be, little Johnny who goes to bed not feeling well, he has a sore throat and a runny nose. He wakes up in the morning after having a terrible night’s sleep, to the sound of his parents or carers in a verbal dispute over how they are going to pay the house payments and the power bill. In the commotion, Johnny is sent to school without lunch or money to buy lunch and his homework not completed.

How does this affect the wider community? If children are in a good frame of mind, the opportunity to excel to the best of their ability in their life will be much more achievable. If at the end of each day, the school chaplain has put a smile on the face of an emotionally distressed student and wiped a tear from an eye, the community as a whole has benefited.

So without being too presumptuous, close your eyes, put your hand in your pocket, whip out the biggest note you can find and put it into the bowl so we can hang on to chaplain Brooke, so she can continue this good work. Thank you.

AUSTIN

Having Chaplain Brooke around our school is a bit like having a favourite jumper on these chilly winter days. On a practical level, just like a cosy woolly jumper, Chaplain Brooke brings a sense of comfort and warmth. Her kindness spreads over the whole school and her positivity and cheerful personality is contagious to everyone.

Now a really good jumper goes with absolutely everything and that’s what Chaplain Brooke is like. She takes all comers and makes everyone feel valued. We all know it is great to have someone you can turn to who is not going to judge or complicate things further. Making us feel comfortable on life’s rocky road is a big part of what Chaplain Brooke does so well.

And let’s face it, we are very lucky to have a Chaplain like Brooke with youth on her side. Someone we can really connect with. So I guess you would say this cosy, warm, comfortable jumper is also very fashionable.

Of course there are days when it is sunny and warm and we don’t need a jumper but just like your favourite jumper, Chaplain Brooke is always there for when your world goes a little cold.

Chaplain Brooke plays a major part within our school. In her role as chaplain she is an approachable friend to talk to about any issues at all! She is always venturing around the school from primary to secondary, lending a hand where ever necessary and striking up a conversation with anyone and everyone! She does so much for the school and without her services; school just wouldn’t be the same.

On behalf of our Allora School Community Austin and I would like you to join us to sincerely thank and acknowledge the exceptional work of Chaplain Brooke.

MARY

PBL Update

There are several changes to PBL that parents need to be aware of. We have decided that students will receive Postcard acknowledgements at the completion of 10 and 20 Sunny Cards.

We have also made several changes to the process of Administration Referrals. We have included a “Universal Behaviours” Category to our process of consequences. “Universal Behaviours” are to be managed within the classroom setting and do not require referral to the school’s administration. As such, they will not be entered on a student’s Behaviour Record.

If these behaviours continue, they will become a “Minor Behaviour”, they will be entered onto the student’s Behaviour Record and a referral to the school’s administration will be made. Contact with parents will occur prior to any referral.

If a “Minor Behaviour” continues, it will become a “Major Behaviour” and will be dealt with by the school’s Administration. Consequences for “Major Behaviours” can include suspensions from the school.

A flow chart of the process has been developed and will be accessible on the school’s website.

Interhouse Track and Field Carnival

We couldn’t have wished for better weather for our Interhouse Track and Field Carnival, on 20th and 22nd July. Participation was the best we have seen in a long time and many records were broken on the day.

Unfortunately our computer system had to be shut down to complete an upgrade, which meant that all the data wasn’t entered by the end of the day on Friday. We initiated “Plan B” where data entry was completed on Monday morning, with medallions and trophies awarded on Monday afternoon.

Thank you to the tuckshop ladies and helpers who provided food and to Mr Bowman who had the grounds in tip-top shape for the carnival. To all staff and parent helpers, a heartfelt thanks for without you, we wouldn’t be able to run the carnival.

Early School Leavers Survey

The Early School Leavers survey is a statewide destination survey of all students who left school in Years 10, 11 and before completing Year 12 during the previous year.

The survey collects information about what young people are doing the year after leaving school. Information from the survey helps schools to understand the pathways young people follow after leaving school and to plan their services to support transitions into study or employment for students. Further information about the survey, including previously released reports, is available online at www.education.qld.gov.au/nextstep/

For further information or to provide feedback about Early School Leavers, I invite you to contact Mr Andrew Wilson, Principal Statistical Officer, Surveys and School Performance, by email at nextstep@dete.qld.gov.au or by phone 3513 6868.

Darling Downs Rugby League

Some Groups of Age Champions
**Year 7 English** The Year 7 class is working on a unit entitled “Literary Memoirs”. The assessment item for this term will be for students to write a literary memoir based on an abstract noun. A number of proof-reading exercises have been developed and will be regularly given as homework exercises in order to improve the quality of work that students submit. The anticipated due date will be the week beginning Monday August 29.

**Year 8 English** The Year 8 class is completing a unit entitled “From Little Things, Big Things Grow”, which looks at literary texts from an Indigenous perspective. The assessment item will be the analysis of one text examined in class with the anticipated due date being the week beginning Monday August 29.

**Year 9 History** This term’s unit is entitled “Making a Nation II” and continues from work covered in History last term, with specific reference to Australian nationhood in the 1890s. Because of the shortened academic term, our assessment will be a collection of activities completed in class throughout the term.

**Year 10 English** Ho! Ho! Capital Punks! What’s in a name? The answer, of course, is Shakespeare. Baz Luhrmann’s “Romeo + Juliet” will be the focus this term. Thus far, students have begun to “journey” to understand Shakespeare, as opposed to being “thrown in”. Prior to viewing “Romeo + Juliet”, there is a degree of historical background and language background that needs to be covered. My aim is to provide students with a “key” to understanding Shakespeare and to thus appreciate his brilliance.

The assessment task will be a written analysis. If students are not ready to produce such a heavy piece of work, the implementation of the task will be delayed until next term and a collection of class work is what they will be graded on for this term. Stay tuned for more information.

**Year 10 History** “The Civil Rights Era in America” is this term’s focus in History. Students have been supplied with a folio, which will be submitted weekly with class and homework tasks receiving feedback. It is essential that students get into the habit of regularly completing homework tasks as a precursor to the rigours of Senior education. Thus far, Activity #1 (Background to the Civil Rights Movement) has been completed, with Activity #2 (from Lessons 2 and 3) being due this Friday 29.07.16. Ask your son/daughter to see the outline of content that we will be covering throughout the term; it is on the inside of their Folio.

Furthermore, I have given all Year 10 students goals that I think they should be striving for in my classes. Please ask to peruse these and, if necessary, feel free to discuss these with me. I can be contacted by email (bhay87@eq.edu.au) or by telephone (4666 7222).
