For health and safety reasons, NO DOGS are allowed on school grounds.

DEACON HOUSE COLOURS – green and gold

GWYNNE HOUSE COLOURS – red and blue

Prep to 8 years old will receive place ribbons and points for their house.

Points are allotted from 9 years old to Open Age, for Age Champions.

Open Age is 15/16 Years.

After third place, all other participants receive one point for their house.

#### **RULES:**

Ages are calculated as at the age they turn this year.

A competitor may compete in their age group only.

Track events take precedence over field events. If an athlete is at a field event and is called to a track event, he/she should inform the field official, and then take part in the track event. *Immediately* after the track event, the athlete should report back to the field event official.

There will be *no* warm up throws.

Long and triple jump competitors will be allowed 1 run through.

*No* record attempts will be given to field events.

Competitors are not required to use a crouch start.

The times indicated on the program are a *guide only*. Events will run in order and may start earlier than indicated if the program is running ahead of time. Competitors must be ready to start 5 minutes before their event as per program or when it is indicated by the announcer, whichever is the earlier. Failure to be on the mark at the required time will result in missing the event.

#### **SAFETY:**

Field throwing areas are out of bounds to spectators. All competitors and spectators must walk around these areas when moving to and from events. Special care should be taken at all times. Throwing implements must be carried back to the next competitor.
